

Consortium of Eastern Ohio Master of Public Health Service Log

Please log in your community service activities here. We would like to collect the service that you do for your communities—we hope that your education in public health is inspiring you to help others in need. You should log your activities through the year. Please turn this in at the end of the program in your e-portfolio.

Name _____

Date	Organization	Description of population served	Activity	Amount of time (in ¼ hours)

Comments about any of these activities (we welcome pictures, too!):
