| <b>Community Preceptor (print)</b> | <b>Community preceptor signature</b> |

**We would like both preceptors to confer with each other and submit together a single evaluation. We also appreciate any comments on student performance!**

|                                                                                                                                                                                                                | <b>Possible Points</b> | <b>Points Given</b> |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|---------------------|
| Integration of academic public health principles <ul style="list-style-type: none"> <li>• Student demonstrates application of academic models, methodology, and evidence to project.</li> </ul>                | 25                     |                     |
| Public health competencies addressed <ul style="list-style-type: none"> <li>• The competencies that the student submits with the application are satisfied (as indicated in the competencies grid.)</li> </ul> | 25                     |                     |
| Quality of written product <ul style="list-style-type: none"> <li>• The product quality meets preceptors' expectations and judged to be applicable to public health practice.</li> </ul>                       | 25                     |                     |
| Professionalism displayed <ul style="list-style-type: none"> <li>• Student is self-directed, follows up on project obligations and displays professional behavior.</li> </ul>                                  | 25                     |                     |
| <b>Total</b>                                                                                                                                                                                                   | <b>100</b>             |                     |

| <b>Grade</b> | <b>Point Total</b> |
|--------------|--------------------|
| A            | 90-100             |
| B            | 80-89              |
| C            | 70-79              |
| D            | 60-69              |
| F            | Below 60           |
