INTERNATIONAL STUDENT DOCUMENTATION PACKET

Instructions and Information

In addition to the application for admission into the Consortium of Eastern Ohio Master of Public Health (CEOMPH), please complete the international student forms. All items should be sent to the Consortium of Eastern Ohio Master of Public Health office, 4209 St. Rt. 44, PO Box 95, Rootstown, OH 44272-0095. Applications will not be considered until all materials are received.

An international student is defined as one who must obtain a visa to enter the U.S. and is therefore required to complete the following documents and submit a $90 international application fee. If you are a refugee, asylee, permanent resident or U.S. citizen, you do not have to submit the International Student Documentation Packet. Anyone with transcripts from countries outside the U.S. must pay the international application fee.

The partner universities of the CEOMPH program are authorized by the Department of Justice to issue the I-20 (F-1 student visa) and by the Department of State to issue the DS-2019 (exchange visitor J-1 visa). International students must document the ability to meet all educational and living expenses for the entire period of study in this program before these certifications can be issued. Upon receipt of either of these documents, you should take your passport and financial verification to the closest U.S. Consul or Embassy to obtain a visa to enter the U.S. These documents will not be issued until after admission has taken place.

DOCUMENTATION REQUIRED

Please sign the financial affidavit of support form, have your sponsor complete and sign it, and return the original financial affidavit to our office with recently issued original bank statements. All bank statements must be translated into the English language, indicating current balance of the account expressed in U.S. dollars. Translations must be signed and sealed by the appropriate bank or government official. If your documents indicate an amount in a currency other than U.S. dollars, that amount will be converted according to the exchange rate on the day your financial support documents are processed. We reserve the right to require additional financial documentation and/or prepayment from applicants whose countries impose currency exchange restrictions or other obstacles to the transfer of currency. Applicants from such countries will be notified of specific requirements when they have submitted complete applications. All documents must be original, dated, and issued within the past year. Note: If more than one persons name appears on any of the bank statements both must be listed as sponsors on the financial affidavit.
